Camp Griffin, Calmar 5.
Dear Friends
Evening. Today we
have had Brigade Drill
of three hours in forenoon
and beyond Drill in
afternoon. Which with
other duties and
considering the depths
of mud makes a good
stiff days work. We still
continue to have plenty
of mud but expect it will
be better soon at least I
hope so that we
can move to a more
healthy locality. From
some cause we are getting
in a very bad way
