

Baltimore Oct 24th 1864

My dear wife

I could you
one hundred dollars - I
should have sent you more
but I have had to buy my
self some winter clothing.
I shall be able to send you
more next pay day -

If Lucien is alive when you
receive this tell him that
I have always loved him
as a brother and his memory
will always be cherished by
by me, I regret that I am
not permitted to see him ever
more here on earth - but
hope we may meet in a better
world -

Yours ever
J. C. Kutterford
