

Camp Holbrook

Brattleboro Vt

(1861)

Sept 15th 8,30 P.M.

Dear Sister

Capt. A — is writing to his wife to night and says he has reason to believe that we shall remain here a week, and thinks he shall have her come down, and probably she will not start from C. — unless she is certain of finding us here. If you and Lizzie can learn when she is coming you might come with her if you wish. You can imagine whether I should be glad to see you or not.
