

Camp Griffin Va -
Thursday Ev. January 30th 1862

Dear Sister -

I have had no letters for nearly
two weeks cannot see why it is so. The
mail brought me none to night -

Still at Camp G - and every thing the
same as when I last wrote - Rained
all last night and to day as usual,
mud over a mans head - Then I got back
last night, one day sooner than was necessary.

Edgar Sherman was here yesterday - I am well
but why dont you write oftener -

Good Night - Jo
