My Dear Sister - I shall only
write this line to night, but
will write you a letter tomorrow
I sailed the same the last time
I saw a paper but have not written
you since except in a paper
tomorrow I will write you certain
I should have sent papers but it
was utterly impossible to get
stamps either 3 or 1 ct. Those
stamps you sent in your letter
were used to night. Last night
I managed to get a one ct
stamp by the kindness of Corp.
