We will write  
you a line to day tho' if  
nothing happens I hope  
to see you within two weeks.

I have been in the hospital  
two months, was at Mansion  
House Hos. Alexandria until  
about a week ago, when I  
came here. - I have wished  
many times to write you, &  
hear from you, since I have  
been laying around the hospital  
but when the Army moved from  
Camp Griffin, I lost your  
address as I had it written  
on a box that the Capt & I  
used for a book case, & when
