

[1862]

Camp Hoos - May 6th
6. P.M.

Have not heard a word from
you since I came here
except by the letters that
were forwarded from
Alexandria; think you
must have failed to
receive the letters I have
sent you. I know no
more about matters &
things than when I last
wrote. Am feeling very
well; hope to hear from
you tomorrow. Geo Bates
started for home yesterday
