My Dear Homer —

1862

Your letter
was recd yesterday. — I

cannot tell exactly when
I shall be in N.Y. but I

think now, possibly Saturday
(next) or Sunday morning.

I hardly think tho I can
get my papers & get
around so as to start

before sometime next week.

If I am feeling well I shall
stop & see you, if not, perhaps

I may keep on without stopping.

I am quite certain I will

stop tho. if only over one

train. Sgt Peabody of the

2^d Vt. will come at the

same time. —
