Dear Sister -

The Col. just sent for me to come to his quarters, and on going there I found Dr. Parks there their business being to get me to go to Windham and see the Dr. & see if I could not get him to go as a apt Surgeon of this Regt. Col. Wazy told me that he rec<sup>d</sup> a letter from him last night declining the app<sup>t</sup>. Dr. Parks was very anxious to have him go & the Col. told me I might go up there and see him this afternoon if I wished. Of course I am glad to get a chance to go to Windham and shall tell the Dr. just how it is and he can do as he pleases about
