

Camp Sey on Sept 6, 1861
My own angel -

Suppose you
see by the papers that
we are advancing -

We crossed the river -
last Tuesday night.

started about 11 o'clock,
didn't know one thing
about it but an hour
before we left, I was

sitting on a court Marshall,
had been all day & was

expecting to nearly all
night, had several cases

to try, it's the most
solemn business I ever

did. The order came
to get ready to march,
no one knew where.
