

Camp Adams Oct. 16^[6]

My own darling wife -

I have written
so much to your Father I
guess I cant say much to you
but you can consider his
letter directed to you also.
This is for you alone -
I did not know you showed
my letters to any one till
he told me. But to begin,
I should think you were
getting along pretty fast
kiting around with those
stranger Its. & playing
cards with them &c &c &c.
What a devoted wife - Shall
you enlist? It amuses me
to have you say so much
about our staying at home
