

Camp Griffen Nov. 14.
My Darling Wife

I have been waiting to find out whether we are to remain here before telling you to send those things. We have been expecting to be sent away down the coast or our West this week, but have not got no order yet, so you may send immediately. Don't send any superfluous things. I want some good stockings as mine are about gone. Did I send you a pr. of my boots? if so you may send those if you please. I have all those shirts you made me but have worn them all the time & so they are getting thin, but one pr more will
