

Camp Griffin Dec  
My darling wife.

I didn't get  
a letter this eve. Got one  
last eve, but not very  
good. It told about  
Pless & Dr. Weld, both  
very disagreeable topics  
to me. I have thought  
about you a great deal  
lately. Wonder if Alby or  
yr Mother will have any  
stories to tell me about you  
that will make me feel badly.  
Will they? I never thought  
I could feel such confi-  
dence in any woman as  
I feel in you. Will you  
always be worthy of it my  
love? Do you never forget  
me. Nor who you are.  
Don't you ever regret you
