My Darling Wife

I do not see why you complain of my short letters. I usually write on the largest sized paper and two pages, which is much more than 4 pages of such as this, which is as long as you generally write. So you see you have all your scolding for nothing - & that I write about as long letters as when I was printing. Have been to Washington & done lots of business. Saw almost every body as usual. Saw Mess. Procter. wife of one of our members of Congress. She inquired
