My Darling Wife -

I am worried
to death about you, have not
heard from you for almost
a week - What can be the
matter - Should thought
you would have written
if you were not well -

I cant write at all myself
until I hear from you -

Am afraid something has
happened to you - I do hope
I will get a letter to-morrow

I expect I have lost the
oysters on the election,
from the news to day.

did you get those letters
about the money - I first
