

Camp "Griffin" Octth 20

My "Dear" Mother

I take this opportunity to write to ^{you} and inform you that I am sick and have ben sick for a week but then dont be alarmed about me for Doctor Russ is here now and he says that I shall get along now I had some fears about myself concerning my lungs but the Doctor examined them this morning and he said that they was not diseased but he said that the chill was to hard for me and that I could not carry a rapsack and he said that my constitution was such that ~~that~~ the work that I had
