

Prospect Hill
Camp Griffin

Virginia Jan^y 30 1862

Dear Mother

It is not long since
I wrote to you but Memill and
I have made up our minds to have
you send that box as soon as you can
the weather is such that we cannot
get away from this camp in a long
time I wrote for some things
probably you have got the letter
send them all the revolver if
it is fixed if he wants \$15.00
dob that is all

A H Miller
