Mar 13th 162.

Dear Mother

you will see

by the shading of this
that we have moved
we started Monday morn
at two & marched to this
place 12 miles from the
old camp the Rebels
evacuated Centerville
& Manassas it is thought
that we shall go to
Washington in the morn
ing & down the Potomac
it is very pleasant & has
been for some time I
think that I shall
see home in a few
months if I live
I got your last letter
