Virginia April 1<sup>st</sup>

Mother

I got your letter  
in this camp it found  
me as usual we have  
had some hard marches  
since my left the old Grand  
but I have stood them first  
so we went from Alexandria  
Monday for Colonel Mills  
where we stopped a few days  
then we went back to  
on the 23<sup>rd</sup> + took the boat  
for Oldpoint Comfort  
we got there on the same  
day and from there we  
come to this place to  
stop for a short time  
how long I know not  
the Reg is out to day
