Dear Sister

I now take this opportunity of writing you a few lines this evening to let you know that I have arrived all safe and well to the Reg^t and am now enjoying good health with the exception of a slight-cold which is not so pleasant you know. We arrived here on Wednesday evening and found the boys expecting us and every thing ready for our comfort. I should have written to you before but I have been so busy that I could not find time. I have spent the most of two days with Lt. Fletcher.
