Dear Sister

As I have a few moments
leisure I thought I would improve them
in writing a few lines to you this
P.M. I am well as usual and hope
that all the folks at home are the
same. I received a Letter from you
yesterday and was glad to hear from
you as I always am. Your Letters are
always a welcome visitor to me and
I love to get them and I also love
to write to you. I am glad that you enjoyed the
Teachers Association so well and I should
have liked to have been there and
listened to the address of which you
spoke in such high praise but more
than all I should like to be there to see
the folks at home and have a good
visit with them for I love them all as
well as ever if I do love another better
