Dear Sister

I will improve a few moments now in writing to you. It has been a long time since I wrote to you and I am almost ashamed of myself for it but I have been so busy for the last two weeks making out my Monthly Returns for January & Feb. and my Muster rolls for the Company &c. &c. that I have not had a moment's leisure but now I have them all completed and I can have a little time to myself. I am well as usual and if it was pleasant now days I should be feeling well but it has rained nearly every day for the last week and it is raining and gloomy out of doors and of course it is rather gloomy in doors also. I always feel lonely and uncomfortable when the weather is such. I received a letter from Nathan night before last and he is as well as usual.
