Vermont
lesbian/gay
pride 1986

Governor Kunin addressed lesbian/gay issues at the rally in Burlington.

Kwaanza, a third world percussion group, provided music during the rally.

Diners' lesbian/gay consciousness raised by the parade up Church Street.

**Thank
You.**

The organizers of the Fourth Annual Vermont Lesbian and Gay Pride Celebration would like to thank everyone who helped to make the weekend such a success. Without your hard work, your enthusiasm, your financial support and your attendance, it never would have happened. Thanks to you, it was wonderful.
