## HRCF Announces Young Leaders Board Internship Program

The Human Rights Campaign Fund (HRCF) is seeking applications from young adults for its board of directors as part of the new HRCF Young Leaders Internship Program.

Under the internship program, up to two young adults- ages 19-25-will serve a one-year internship on the 25-member HRCF Board. One female and one male intern will be selected. The program will be implemented by this summer.

The young adult interns will have the same rights and responsibilities as other board members, including full voting rights. Responsibilities of the interns will include networking and fundraising to college and universities and other young adult communities. Interns will also participate in key political and legislative projects involving the board of the nation's largest gay and lesbian and AIDS political action committee and lobbying group.

Intern applicants must submit to HRCF a typewritten resume and a two-to-three page biographical summary. Applicants will be reviewed by the HRCF Intern Committee. Interviews will be required of all finalists. Consideration will be given to the applicant's contributions to the gay and lesbian community, political expertise and contacts, leadership potential and fund raising capabilities.

Interns need not be active college stu-

dents, but should have close ties to the academic community.

Applications should be sent to HRCF Board Intern Program, 1012 14th St. NW, Suite 607, Washington DC 20005, by April 19, 1989. Call (202) 628-4160 for more information. Notification of selection will be by May 10, 1989.
