

# Coming Out Week

You may be aware of National Coming Out Day, October 11, but did you know that this is the third year that Coming Out Week will be celebrated in Vermont? The GLBA (Gay, Lesbian, Bisexual Alliance) at the University of Vermont has won four national leadership awards for their involvement in past Coming Out Week events.

The focus of Coming Out Week is a celebratory one, including many affirming, positive events. There will be musical performers, such as Romanovsky and Phillips, who always delight, and speakers such as feminist theologian, Virginia Ramey Mollenkott, who will talk about Eros as a spiritual urge.

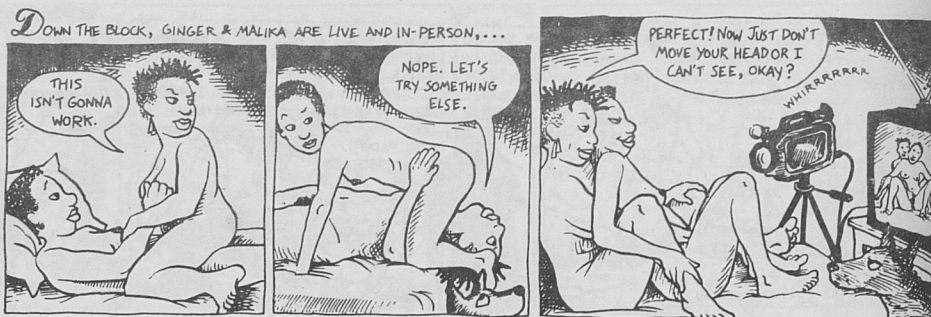

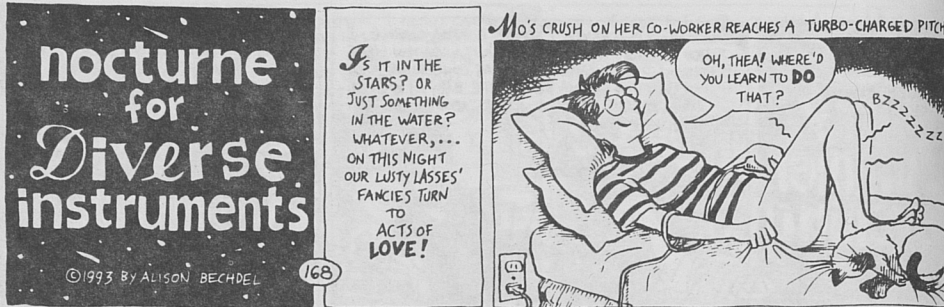

A new event this year will be a parade to kick off the week long celebration. The plan is to raise the rainbow flag on the UVM campus green and then move it about campus. Maybe we can all raise our flags that week! Look for the insert in this issue of *OITM* and the Calendar section for details.
