Monthly Social Group for HIV+ Gay/Bisexual Men

Vermont CARES, through its Men's Health Project, is sponsoring a social/support group for men living with HIV/AIDS. This group will meet once a month in different, private locations at various times.

The goal of the group is to offer a safe, confidential environment where men living with HIV/AIDS can gather in a social setting. Another goal is to increase health and well-being by sharing information about treatments, nutrition, and living with this virus in Vermont. Sean, a HIV+ volunteer with the Men's Health Project, says, "This group will give us an opportunity to meet others in our situation and offer support, help and laughter. This will be our group and we can work as a team to make it into what we need."

For more information please contact Sean or John at Vermont CARES 802-863-2437 or 1-800-649-2437. ▼
