

Lesbian Women!

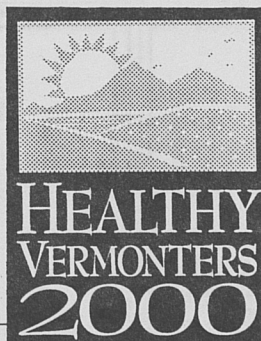

Are you 50 years or older with
limited income or uninsured?

Come share your opinions
and ideas about women's health care.

Please call Kerri Frenya if you are interested in coming to a confidential 2-hour discussion with other lesbian women. Joy Livingston will lead the women's health discussion on November 9 at the Vermont Women's Health Center in Burlington. Transportation and child care can be arranged, and we will pay you \$20 for your time.
