

Community Center to Survey L/G/B Community

John Olson

A planning committee for the Lesbian/Gay/Bisexual (L/G/B) community center for the Burlington area met recently to review an upcoming survey of the local community. The survey will be distributed throughout the L/G/B community in Vermont to gather input and help determine priorities for the center. A copy of the survey is enclosed in this issue of *Out in the Mountains*, and may be returned to PO Box 5122, Burlington, VT 05402-5122.

The committee is seeking input from individuals about what should be included in this center, how decisions should be made, and how we all can support it. The survey is designed to be anonymous, but people may choose to be added to our confidential mailing list by including their name, address and phone number.

The committee is asking that surveys be completed and returned by May 15, 1992. A summary of responses will be published in a future issue of *Out in the Mountains*, and we hope to have information about the community center available during the Gay & Lesbian Pride rally this summer.

Surveys are also available at Pearls, Outright Vermont, The Burlington Women's Council, and the Peace on Earth Store in Burlington. They may be returned to any of these locations or mailed to PO Box 5122, Burlington, VT 05402-5122.

For more information or to get involved, contact John Olson during the day at 863-2437. We meet on the second Tuesday of each month from 7:30 pm to 9:00 pm at the offices of Outright Vermont on College Street in Burlington. Please join us and please complete your survey today. ▼
