

10th Year Celebration for Lesbian & Gay Pride

Leah Wittenberg

A small committee met on September 26 to begin planning Lesbian/Gay/Bisexual Pride day for 1993. Outreach is happening now to form an ongoing committee inclusive of the many aspects of our lives.

This year marks the 10th anniversary of this event and organizers are planning a major splash-complete with costumes, floats, music and partying. The celebration will be in Burlington this year on a weekend in the end of June. The date will be finalized soon... so watch for it. We want to plan early this year.

Some ideas to come out of our initial meeting were:

We want this to be fun. Let's come into our own this year and match the big city parades for outrageousness, numbers, and style.

Let's have fun fundraising events statewide to generate statewide interest. Let's help subsidize transportation for areas far from Burlington.
