OITM Flashbacks

As can be seen by reviewing past headlines, OITM has chronicled many issues of importance to Vermont's lesbian, gay and bisexual community. The history of the gay rights bill, the AIDS epidemic, Pride Day celebrations, and social and cultural events are among the events of historic significance to lesbian, gay and bisexual Vermonters. As OITM begins its 10th year, let us hope this important work continues. ▼

Where's my doggie Daddy?
