Opportunity knocks.

Be a part of music history! IRIS Productions is seeking to fund the premier release of its first artist by soliciting advanced sales. Noël's album features ten original songs superbly recorded and guaranteed to get you singing, dancing and feeling great. An investment now insures you will receive a cassette and/or compact disc and a premier annual membership in ARIA, the growing Noël Fan Club. To get involved is simple: complete this ad and send it along with your check or money order to our address (listed below)...IRIS will send back a receipt of your investment. Your participation in this novel approach to "grass roots defiance" of music industry norms will help change the way many artists reach out. We look forward to hearing from you!
