THANK YOU

We, the clients, staff, board, and volunteers at *Vermont CARES*, would like to offer our heartfelt appreciation to all the lesbian, gay, bisexual, and transgendered folks who turned out for

AIDSWalk '97.

Whether you walked as part of a team or as an individual, your support for men and women living with HIV and AIDS is vital. With media Hype about the "end of AIDS", with talk of budget cuts even as a person living with the virus can easily spend over \$30,000 a year on the dozens of pills taken each day, and with apathy and burn-out rising in the queer community, now more than ever, your support in this fight is needed.

Vermont is terribly underfunded for HIV prevention and services. Though national events such as the Swim for Life and the AIDSRIDE do raise needed funds and provide a unique experience, they do so at tremendous cost, and the money doesn't help your friends, family and neighbors here in Vermont. The monies go to places which already receive much greater funding per person living with HIV than Vermont can even dream of.

So Thank YOU, the walkers who lent your time, money, and legs to AIDSWalk '97. We can not afford to let petty squabbles get in the way of our unified fight against this disease.

The fight against AIDS is not over -it is being fought right here in Vermont.

Special Thanks go to Leah Mervine, the AIDSWalk '97 Coordinator, and to Alison Bechdel, for her artwork, patience, and flexibility.
