Gay And Lesbian Interest Film — Psycho is, of course, the Alfred Hitchcock film from 1960 with the infamous shower scene that made short work of Janet Leigh's character. Here's the gay connection: Anthony Perkins himself, a gay actor who apparently never came to terms with his sexuality, who late in his life married and fathered a child, all the while continuing clandestine relationships with men. Perkins died of AIDS in the late 80s. Tacked onto the beginning of Psycho is the last interview with Perkins by American Movie Channel. The Rhombus Gallery is located at the intersection of College & Church Sts. in Burlington. 652-1103. Enter on College St. Gallery is on the second floor.
