Pride 1999 a Success

continued from page eleven

evening set in folks drifted off in different directions. There were a variety of parties being offered including a substance free Pride Ball at City Hall and music and dancing at 135 Pearl.

All in all a good time and great weather prevailed. Pride Committee member Robert Simpson declared the day a suc-

cess and praised the speakers and performers. Plans are already in the works for next year and Simpson said a committee "regrouping" would probably take place along with greater involvement from the GLBT community. An enormous amount of time and energy goes into making a successful Pride

Day and we in the GLBT community who take part in and enjoy the festivities of the day must not take that for granted. Show your support, give feedback, get involved, have fun and help make Pride Day 2000 a smashing success! ▼

Thank you,
PRIDE VERMONT for a
GREAT day!

Love,
OITM & MPM

Stay in touch with the Vermont community between issues of OITM.

We've set up three e-mail listservs to keep you up to date with everything from the local gossip to national issues.

VTPrideNet: an e-mail discussion list. LGBT folks from across Vermont — and the people who love them — can now exchange messages

If you'd rather get your chatter in one neat package instead of individual messages, check out VTPrideNet-digest. Instead of getting each e-mail separately, you'll get one long message that contains all the day's postings.

For those who aren't up for chatter but want to keep up with major newsevent notices and paper deadlines (of course), there's VTPrideNet-announce. There's no discussion on this list — just announcements as events warrant.

To subscribe to any of the lists, send e-mail to
